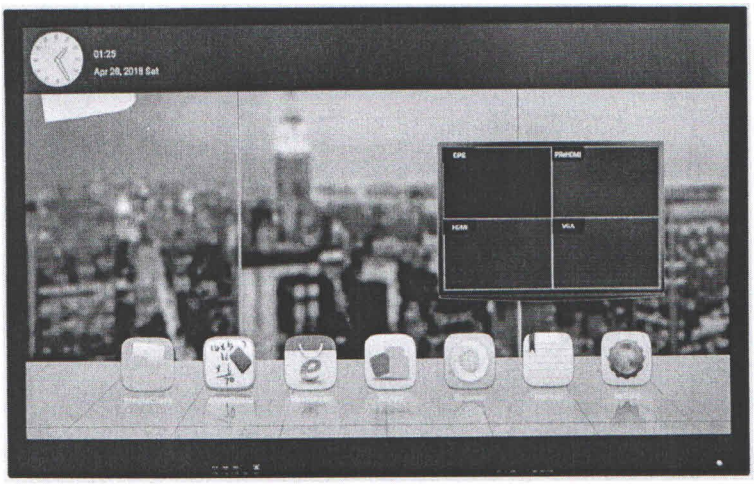
## Touch Screen

**Official letter for the Director of LLP "ANSAR SERVICE"**

Dear Director of LLP "ANSAR SERVICE",

In response to you request, we inform that Tacteasy Technology Co., Ltd, the leading developer & manufacturer of educational equipment in China. Our production center covers about 1500m2 and we can produce more than 3000 pcs per month to meet the high demands of our clients. Tacteasy Technology Co., Ltd will produce and will sell the interactive panels TA-65 to LLC "ANSAR SERVICE"



Multi touch 4K Resolution Dual system Google Play Narrow frame EClass Software Ultra Durable Anti-glare LinkGo Software EC

## Key Features

Multi touch

TACTEASY Touch screen comes with Infrared technology support 10-points touch.
And enhance collaboration and therefore "lively learning"

Support Google Play

TACTEASY Touch screen support Google Play and Google driver.

Ultra Durable

TACTEASY Touch screen the led panel has 50000 hours life time; it makes one of the most durable displays in the market.

LinkGo Software

TACTEASY also developed software "LinkGo", It can make classroom more interactive, and can control when teacher wants the screen to be touch enabled or not.

4K technology

TACTEASY Touch screen adopted the original LG Glass, and comes with 4K resolution,.

Narrow Aluminum frame

TACTEASY Touch screen use the high quality material, it is 2cm oxidation brushes durable Aluminum frame.

Anti-glare

TACTEASY Touch screen comes with anti-glare glass. This improves the efficiency since less light is lost and it helps users to see the display clearly without any reflection of ambient lights.

Dual system

TACTEASY Touch screen included dual system- built-in OPS PC and Android. OPS PC can be optional.

EClass Software

TACTEASY Touch screen have the specialized educational software- Eclass, It has rich teaching resources and tools.

ECO for Green technology

TACTEASY Touch screen saves electricity as it switches on or off .This feature makes them the best in class green technology product.

Collaborative. Innovative. Sincere.
